

Elevate Your High School English Program

- Built for High School: Tailored specifically for the academic goals and busy schedules of Ensino Médio students.
- Measurable Growth: Clear proficiency levels and regular assessments provide tangible evidence of student progress.
- Future-Ready: Equips students with the advanced English skills required for top universities and global careers.
- Flexible Online Learning: Self-paced weekday lessons (60-90 min) that reinforce grammar, vocabulary, and writing.
- CEFR & BNCC Alignment: A curriculum fully mapped to international standards and Brazil's national education requirements.
- Progress Tracking: Detailed performance reports that offer schools and parents clear proof of linguistic improvement.
- 24/7 AI Tutor: Instant, personalized feedback on pronunciation and speaking to build fluency anytime, anywhere.

➔ Why Choose EnglishHUB?

- 400+ Online & Live Lessons: Self-paced content covering grammar, vocabulary, and academic English.
- Live Group Lessons: Interactive Saturday sessions for real-time speaking, debating, and collaboration.
- 24/7 AI Speaking Tutor: Instant, judgment-free feedback on pronunciation and fluency anytime.
- Live Mentors & Success Coaches: Expert guidance for your learning journey and future college applications.
- Recognized Certifications: Prestigious certificates validating proficiency for academic and professional institutions.
- USA College Pathways: Direct admission to partner US universities through our language certification.
